MY PILLOW, INC.,

Case No. 22-cv-00098- WMW-JFD

**DEFENDANT MY PILLOW, INC'S
THIRD SUPPLEMENTAL ANSWERS
AND OBJECTIONS TO PLAINTIFFS'
FIRST SET OF INTERROGATORIES**

TO: PLAINTIFFS AND THEIR COUNSEL OF RECORD.

Defendant My Pillow, Inc., (“My Pillow” or “Defendant”) for its objections and supplemental answers to Plaintiffs’ First Set of Interrogatories states as follows:

GENERAL OBJECTIONS

1. Defendant objects to Plaintiffs’ Interrogatories to the extent they call for the disclosure of information protected by any privilege. To the extent any Answer states that documents or information will be produced, that shall not include privileged documents or information. In the event any documents or information provided in response to any Interrogatory contains privileged documents or information, such production is inadvertent. No answer by Defendant contained herein shall constitute a waiver of a privilege or any other protection from discovery.

2. Defendant objects to Plaintiffs’ Interrogatories to the extent they are vague, overly broad, unduly burdensome, oppressive, not limited in time frame or scope, or propounded for an improper purpose, including to harass Defendant, or are otherwise in violation of any provision of the discovery rules of the Federal Rules of Civil Procedure.

3. Defendant objects to Plaintiffs’ Interrogatories to the extent they seek information that is not relevant, inadmissible at trial, not calculated to lead to the discovery of admissible evidence, lacking in foundation, or improper in form. Defendant

does not waive any general or particular objection in the event any information is provided that is within the scope of this objection.

4. Defendant objects to Plaintiffs' Interrogatories to the extent they are unreasonably cumulative, duplicative, or seek information obtainable from some other source that is more convenient, less burdensome, or less expensive, without limitation, information already in the possession, custody or control of Plaintiffs or their counsel, or which have already been provided in this litigation.

5. Defendant objects to Plaintiffs' Interrogatories to the extent they are vague or ambiguous or contain undefined terms and improperly require Defendant to speculate about the intended meaning.

6. Defendant objects to Plaintiffs' Interrogatories to the extent they require Defendant to guess or speculate as to the knowledge, information, thoughts, beliefs, actions, motivations, or intentions of other parties over whom Defendant has no control.

7. Defendant objects to Plaintiffs' Interrogatories to the extent they seek information that is not in Defendant's possession, custody, or control.

8. Defendant objects to Plaintiffs' Interrogatories to the extent they seek information unrelated to the issues in this litigation.

9. Subject to the objections otherwise set forth, to the extent any Interrogatories state that documents will be produced, such documents will be produced at a date, time, and place and in a manner agreed to by counsel for the parties.

10. Discovery is continuing and not complete. Defendant has not concluded a full investigation of the facts relating to this case, formal discovery, or preparation for trial. Defendant reserves the right to rely upon additional information and documents uncovered through further investigation of this matter.

11. Defendant expressly incorporates these General Objections into each Answer below. Every Answer is made subject to and without waiving or limiting these General Objections or any other objections stated in the Interrogatories.

INTERROGATORY NO. 1 Identify every statement about SMARTMATIC that you have published and state the date of the statement and where it was published, including all republications.

ANSWER – 12/05/2022: Defendant objects to this Interrogatory because it seeks the discovery of information that is not relevant to any party's claims or defenses. Defendants further object to this Interrogatory because it is overbroad by requesting Defendants to recount every statement made about Plaintiffs, regardless of whether the statements relate to this litigation, and then investigate every way each such statement was republished. Subject to the foregoing, Defendant directs Plaintiffs to documents produced in this litigation and the documents attached to Plaintiffs' Complaint.

SUPPLEMENTAL ANSWER – 1/11/2023: Plaintiffs have agreed to narrow the scope of Interrogatory Number 1 to include only statements made on what Plaintiffs have termed the "Accused Programs." In response to this revised inquiry, My Pillow states that the programs identified by Smartmatic are as readily available to it as they are to My Pillow. The statements referring specifically to Smartmatic can be derived by viewing or listening to the alleged programs. My Pillow denies that any of the allegedly defamatory statements can be attributed to it.

INTERROGATORY NO. 2 Identify all Persons, including MY PILLOW EMPLOYEES, who drafted, edited, reviewed, developed, investigated, approved, produced, directed, made any decision regarding, appeared on, or otherwise contributed to, any aspect of the ACCUSED PROGRAMS, DEFAMATORY BROADCASTS, LINDELL APPEARANCES, or the "March for Trump" tour and tour bus referenced in paragraph 76 of the Complaint. For each, include the person's name, title, and contact information, and describe his or her involvement.

ANSWER – 12/05/2022: Defendant objects to this Interrogatory because it seeks the discovery of information that is not relevant to any party's claims or defenses, in particular because it seeks information related to companies other than Plaintiffs. Defendant further objects to this Interrogatory because it is overbroad by requesting Defendant to produce information about the topics identified regardless of whether the statements relate to this litigation. Defendant further objects to this Interrogatory to the extent it seeks information about communications protected by the attorney-client privilege, the work product doctrine, or another limitation on Defendant's discovery obligations. Subject to the foregoing, Defendant states that Mr. Lindell was responsible for the statements referenced and those statements were made in his personal capacity and not as a My Pillow, Inc., employee or agent. Other individuals may have performed administrative tasks, but were not responsible for developing content. Discovery continues.

SUPPLEMENTAL ANSWER – 1/11/2022: Without waiver of a previously stated objection, Defendant states that it will provide a supplemental response when custodians of relevant documents have been identified.

SUPPLEMENTAL ANSWER – 9/1/2023: Without waiver of any previously stated objections, Plaintiffs are referred to the Third Supplemental Answer to Interrogatory Number 2 provided by Defendant Lindell.

INTERROGATORY NO. 3 Identify all Persons who drafted, edited, reviewed, developed, investigated, approved, produced, directed, made any decision, or otherwise contributed to the content of any segment, interview, statement, post, or article published on any LINDELL WEBSITE, MYPILLOW.COM account, or your personal and/or professional social media accounts, regarding SMARTMATIC, DOMINION, and/or the election technologies and systems used during the 2020 PRESIDENTIAL ELECTION. For each, identify the person's job title, employer, his or her role regarding the content, including whether they drafted, edited, reviewed, investigated, directed, approved, or made any decision regarding the content, segment, interview, statement, article, or social media post, and the person's relationship to You or MY PILLOW, if any.

ANSWER – 12/5/2022: Defendant objects to this Interrogatory because it seeks the discovery of information that is not relevant to any party's claims or defenses, in particular because it seeks information related to companies other than Plaintiffs. Defendant further objects to this Interrogatory because it is overbroad by requesting Defendant to produce information about the topics identified regardless of whether the statements relate to this litigation. Defendant further objects to this Interrogatory to the extent it seeks information about communications protected by the attorney-client privilege, the work product doctrine, or another limitation on Defendant's discovery obligations. Subject to the foregoing, Defendant states that Mr. Lindell was responsible for developing the referenced content, and did so in his personal capacity and not as a My Pillow, Inc., employee. Other individuals may have performed administrative tasks, but were not responsible for developing content. Discovery continues.

SUPPLEMENTAL ANSWER – 01/11/2022: Without waiver of a previously stated objection, Defendant states that it will provide a supplemental response when custodians of relevant documents have been identified.

INTERROGATORY NO. 4 Identify all sources of information that You used for the ACCUSED PROGRAMS, DEFAMATORY BROADCASTS, DEFAMATORY STATEMENTS, or LINDELL APPEARANCES. For documents, list the Persons, including any LINDELL EMPLOYEES or MY PILLOW EMPLOYEES, OTHER NEWS ORGANIZATIONS, and Persons affiliated with You, who reviewed the documents, when he or she received and/or reviewed them, and describe the documents.

For Persons interviewed or contacted, list their name, employer, title, and contact information, and describe their interaction with You, including the dates of any interview(s), the Person(s) affiliated with You who interviewed or contacted them, and the information they provided to You. For any other sources, describe the source and the information provided.

ANSWER – 12/05/2022: Defendant objects to this Interrogatory because it seeks the discovery of information that is not relevant to any party's claims or defenses, in particular because it seeks information related to companies other than Plaintiffs. Defendant further objects to this Interrogatory because it is overbroad by requesting Defendant to produce information about the topics identified regardless of whether the statements relate to this litigation. Subject to the foregoing, Defendant states that Mr. Lindell utilized information learned from his guests to develop content for the identified broadcasts and appearances. Defendant directs Plaintiffs to the documents produced in response to Plaintiffs' Requests for Production of Documents for additional information. Discovery continues.

SUPPLEMENTAL ANSWER – 01/11/2023: Without waiver of a previously stated objection, Defendant states that it will provide a supplemental response when custodians of relevant documents have been identified.

SECOND SUPPLEMENTAL ANSWER – 9/1/2023: Pillow objects to the term "DEFAMATORY STATEMENTS" and "DEFAMATORY BROADCASTS" as improperly asserting a legal conclusion. My Pillow denies that it has defamed anyone. Without waiving any previously stated objection, My Pillow did not make any statement referenced in the programs, broadcasts, statements or appearances listed in Interrogatory No. 4.

INTERROGATORY NO. 5 Identify and describe all information provided to You regarding SMARTMATIC, DOMINION, or any allegation of fraud or irregularities involving the election technologies or systems used during the 2020 PRESIDENTIAL ELECTION, including but not limited to, information provided by the GUESTS, and state the date the information was received, the form of the information, the person or entity who provided it, and the manner in which it was received by You.

ANSWER – 12/05/2022: Defendant objects to this Interrogatory because it seeks the discovery of information that is not relevant to any party's claims or defenses, in particular because it seeks information related to companies other than Plaintiffs. Defendant further objects to this Interrogatory because it is overbroad by requesting Defendant to produce information about the topics identified regardless of whether the statements relate to this litigation. Subject to the foregoing, Defendant states that Mr. Lindell utilized information from a variety of sources to develop content for the identified broadcasts and appearances. Defendant directs Plaintiffs to the documents produced in

response to Plaintiffs' Requests for Production of Documents for additional information. Discovery continues.

SUPPLEMENTAL ANSWER – 01/11/2022: Without waiver of a previously stated objection, Defendant states that it will provide a supplemental response identifying documents produced when its review of potentially responsive documents is complete.

For any monetary exchange, describe the amount, date, and nature of each compensation. For any non-monetary exchange, describe what was exchanged and when.

ANSWER – 12/05/2022: Defendant is unaware of any compensation, consideration, or non-monetary exchange provided to the identified individuals. Discovery continues.

SUPPLEMENTAL ANSWER – 01/11/2022: Plaintiffs are referred to the Answer to Interrogatory Number 6 provided by Defendant Lindell.

SECOND SUPPLEMENTAL ANSWER – 04/05/2023: As agreed between the parties, the term "GUESTS" for interrogatory request number 6 is narrowed to the following individuals: Dr. Shiva Ayyadurai, Patrick Colbeck, Matt DePerno, Mary Fanning, Michael Flynn, Douglas Frank, Brannon Howse, Joe Oltmann, Russ Ramsland, Phil Waldron. For each action, state when it took place, who performed the action, and who was aware of the action, including Yourself.

ANSWER – 12/05/2022: Defendant objects to this Interrogatory because it seeks the discovery of information that is not relevant to any party's claims or defenses, in particular because it seeks information related to companies other than Plaintiffs. Subject to the foregoing, Defendant states that Mr. Lindell utilized information from a variety of sources to develop content for the identified broadcasts and appearances.
